

## VR Starship Design Beta Competition

The Museum of Science Fiction and Isovista.org are proud to announce a beta competition for starships modeled primarily in a VR tool such as (but not limited to) : Gravity Sketch, Oculus Medium, and Google Tiltbrush. Winners will each receive 200.00, receive VIP passes to **Escape Velocity 2020**, and have their work displayed in a prototype multiuser VR gallery.

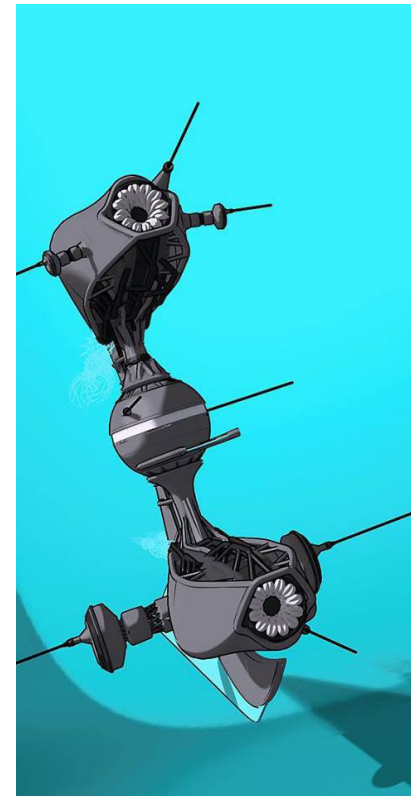

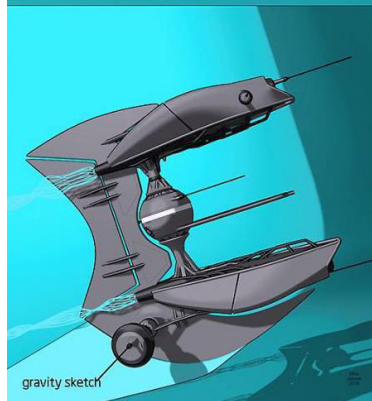

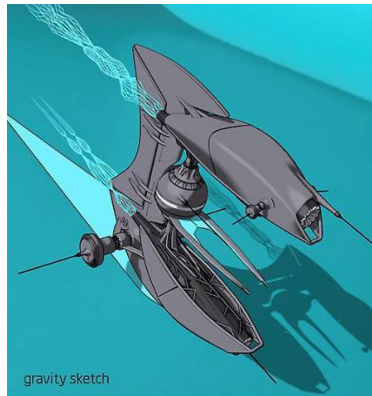

### Submission Dates

March 4th to April 20th 2019.

The competition is open to all students, designers, engineers, builders and artists working in VR.

See the competition website for rules and details

*The Museum of Science Fiction and NASA are partnering to bring Escape Velocity 2019 to Washington, DC.*
